Viltu meira?

Fjöldi tákna

- Við erum kannski að nota um 40 tákn á dag
- Flest táknið sem við notum koma fyrir oft á dag og flesta daga
- Börnin læra táknið smátt og smátt því þau sjá þau notuð aftur og aftur
- Munið að það getur tekið tíma fyrir barnið að byrja að gera fyrstu táknið og það gerist bara ef þau **sjá okkur** nota þau
